Free printable: Build the Wise Man's House

The story Matthew 7:24-29; Luke 6:46-49

Jesus told about a wise man who built on the rock and a foolish man who built on the sand. When the storm came, only the house on the rock stood. Hear Jesus' words and do them!

MEMORY VERSE

"Everyone who hears these words of Mine and acts on them is like a wise man who built his house on the rock."

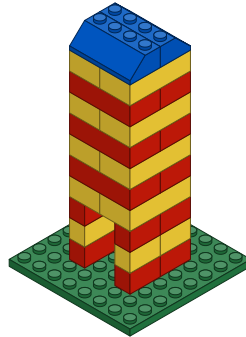

Adapted from Matthew 7:24 BSB

Talk about it

1. Where did the wise man build? Where did the foolish man build?
2. Did the storm hit both houses?
3. What does it mean to build on the rock?

Build it: The Storm Test house

Build it together, then use it to tell the story. Any bricks and any colors work.

x4 Red 1x2 brick	x2 Yellow 1x2 brick	x8 Red 2x4 brick	x9 Yellow 2x4 brick	x1 Green 8x8 plate	x2 Blue 2x4 roof slope

Steps

				
1. Start with a baseplate, or any flat plate. That's your rock!	2. Build the first 3 layers with a door in the front. Each layer is one 2x4 brick in back and two 1x2 bricks in front.	3. Close the top of the door. Turn each layer the other way from the one below so the walls lock together.	4. Keep stacking until the house is 10 bricks tall.	5. Add the roof. Two roof slopes meet in the middle.
